

A Life Away From War

Landlords - How YOU can help

Devon is playing its part in meeting the UK government's pledge to bring 20,000 of the most vulnerable Syrian refugees to new lives in the UK.

We are looking for landlords to lease their property to the local council who will then give a tenancy to the family.

There are several benefits. . .

Benefits for landlords

The Syrian Resettlement Programme gives landlords peace of mind about the reliability of the tenants and the management of their properties.

- the Council will manage the property and all dealings with the resettled families.
- the Council will pay rent to the landlord quarterly in advance. The rent will normally be based on the local housing allowance rate for the property.
- if a property is unoccupied when the landlord leases it to the Council, the Council will pay up to 8 weeks' rent until the family arrives.
